

MAMA AND PAPA ARE SEPARATING, WHAT'S GOING TO HAPPEN ?

1

Mama and Papa loved each other a lot, but now they don't get along with each other. They decide to separate.

2

Mama and Papa may need the help of a judge or a mediator to make decisions. (ex: custody, vacations...)

3

Now I have two homes, one with Mama and one with Papa.

I take turns seeing them.
